## **AFTER HOURS SERVICE**

Increased workload and staff shortages have had negative effects on Peter and Kellie's mental health and family, so unfortunately we will no longer have any vets available for after hours emergencies on weekends.

Our after hours emergency service will continue to be available from Monday to Friday but only until 10pm. If you need to contact our emergency after hours service during these times, please call 0419 787 299.

If you have an emergency when we are not available, please contact another clinic.

We apologise for any inconvenience this may cause and thank you for your understanding. Thank you.
